

**“May God Be Gracious to You”**

**Intro:**

*Through the Life of Joseph we learn of God's perfect care for His people. He works to accomplish His purpose in His people as a whole and in each one as an individual. God's great purpose is not merely to physically move His people here or there, but to move them spiritually. He moves them spiritually through means of law, judgment, and mercy and grace bringing repentance of sin and reconciliation.*
